# CRAZY! CREAMY! iMOM iNvEGEi

We are expanding our Crazy Cheesecake Club to offer vegan club members.

Our new cheesecakes are not only super fruity, but also insanely creamy.

And, crazy as it sounds, they are also vegan and plant-based.

We make the shortcrust pastry with vegetable margarine and ground nuts. Our specially developed creamy filling is purely plant-based.

We only use selected fruits for the fruit preparations and cook them with care ourselves.

And, because we are just mad about cheesecake, we add a cheeky fruit topping, too. The result is fully vegan and just a little bit crazy!

**SIMPLY  
INSANELY  
DELICIOUS!**

## WOW, IT'S VEGAN!

**PLANTASTIC CREAMY BLUEBERRY

Insanely creamy, crazily fruity and yummy down to the last bite. And of course, it's vegan and plant-based. A shortcrust pastry base with a gentle nutty note. A creamy, white and blue layered filling, finished with our own blueberry fruit preparation. And even more blueberries as a topping. It might sound crazy, but it tastes insanely good! No question.
