

# New: Delicious cream slices without lactose or gluten Pure flavour. Real enjoyment.

**More and more people are living more consciously!**  
While food intolerance used to be the reason why people ate gluten-free and lactose-free products,

nowadays these diets are turning into mainstream trends for health-conscious consumers.  
**Discover our cream slices!**

Lactose- and gluten-free.

So real. So good. So erlenbacher.

Our new cream slices are light & fluffy delicacies in keeping with the times. They are completely free of lactose and gluten, so nobody will have to forego the pleasure of enjoying them. So pure and so good, in line with what many of your customers want. This is why we have developed new recipes

and used nothing but the best ingredients. Our passion for baking is the only additive to our cream slices. Four slices in a package – the perfect quantity for those with a craving for something sweet in between or for when a few friends get together.

### Peach Cream Cheese Slices

A fluffy lactose-free cream cheese filling on a gluten-free muffin base from maize starch. Topped generously with peach cubes and cake glaze.

### Choco Cream Slices

A dark, gluten-free muffin base from maize starch topped with delicious lactose-free cocoa cream. A slightly wavy pattern makes these slices a feast for the eyes.

### Strawberry Cream Cheese Slices

Heavenly variety! Delicious lactose-free cream cheese on a gluten-free muffin base from maize starch. Generously topped with aromatic strawberry halves and cake glaze.

Absolutely nothing to spoil your enjoyment.
